

SL280THD-14LB

HEAVY DUTY UPGRADE PACKAGE

The SL280HD Heavy Duty package weighs in at **17,000 lbs. GVWR** and is built to get the job done. It comes with a 20k pintle eye coupler, 14 ply steel belted HD rated tires and a 12 k HD drop leg jack. The Equa-Flex 8,000 lbs. axles come with Easy Lube Hubs and easily handle the toughest load.

The new SL280HD is the answer to your hard working problems. With an lift capacity of 8 tonnes stabilized by a modular sill and scissor lift design, you can lift more and lift faster. The Equa-Flex suspension system reduces the amount of shake, rattle and roll and with Southland's reputation you know you are getting a well built trailer.
